The film follows six women who, having entered a cave system, struggle to survive in the darkness. The women must fight for their lives as the narrative moves from the familiar to the unknown. It was released in the United Kingdom on 28 September 2005. It was released on DVD in the United States on 13 January 2006. Plot Part 1 In the present, a group of British cave explorers, consisting of the socially dysfunctional geek Michael Woods (Toby Stephens), the single mother Mira (Gemma Arterton), the overweight stripper Toni (Olivia Olson), the hard-drinking singer Trudy (Kate Beckinsale), the blonde, overweight teacher Joanna (Ashley Miller) and the vegan environmentalist Courtney (Vera Farmiga), are descending into a cave that is rumored to be haunted. As they enter the cave, they realize that they have been followed. After a difficult journey through the cave system, the group finds a small dwelling. They investigate the cave and find a decapitated body. They discover that a group of seven people were previously in the cave with them. Part 2 In the past, the six women—still in the present—have escaped from the cave with the body of the recently deceased Joanna. The group 82157476af
